

LESSON
3.6

Math Boxes

1. Write five names for 100,000.

15

2. Use a straightedge to draw an angle that is greater than 90° .3. Write $<$ or $>$.

15
15
0.17 ____ 1.71

0.03 ____ 0.12

1.9 ____ 1.89

5.4 ____ 5.04

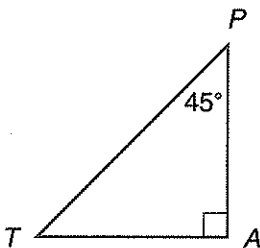

2.24 ____ 2.2

4. I am a polygon. I have fewer sides than a quadrangle. Draw me in the space below.

12
T
What shape am I? _____

5. What is the measure of angle T?

measure angle T = _____

6. Solve.

15
3 * _____ = 270

_____ = 500 * 400

60 * 50 = _____

21,000 = 700 * _____

800 * 600 = _____
